Re: Price increases - effective April 1, 2025 – Canada

Dear Valued Customer,

MIFAB is announcing the following price increases for our various below mentioned products due to the recent tariff announcements:

We are doing our best to absorb as much of the cost increases as possible. All current quotations must be registered with your MIFAB representative; entered as orders and released for shipment on or before March 31, 2025 for current price protection. All new quotations and orders entered on and after April 1, 2025 will reflect the new price increases for these products. The price increase applies to all Net prices.

The affected MIFAB product price books are:

1) TDSD-2025-04 – replaces the TDSD-2025 – List Price increase of 10% (Linear and Shower Trench and Point Drains)
2) TDSS-2025-04 – replaces the TDSS-2025 – List Price increase of 10% (Stainless Steel Trench and Point Drains)
3) TDPC-2025-04 – replaces the TDPC-2025 – List Price increase of 10% (Polymer Concrete Trench Drains)
4) TD-2025-04 – replaces the TD-2025 – List Price increase of 10% (Glass re-enforced Polyester (GRP) and Steel Trench Drains)

The new List Price books are being prepared now and will be available for download from our website and printed copies will be distributed to our representatives soon after.

Thank you in advance for your continued support and understanding in this matter.

Sincerely,

Michael Whiteside
President
