SL ACCESS DOOR

SERIES SL SEAMLESS ACCESS PANELS

Specification: Seamless™ Access Panels by MIFAB® are manufactured from GFRGIGFRC & 70% post-consumer recycled glass, for a unique GREEN design-matrix designed to blend seamlessly into your walls and ceilings. They consist of a surround frame and either a drop-in door or hinged door. Available in twenty standard residential or commercial sizes, MIFAB® panels are perfect for jobs where access is required at regular intervals.

Function: Lightweight and easily textured, the panels can be used in both new and retrofit construction across unlimited applications. Their smart design to help contractors work smarter faster and better, the Seamless™ panels feature a tapered edge for tape joints and won't shrink, crack or sag. Seamless™ Access Panels provide an aesthetically pleasing solution for a more attractive interior.

PRODUCT FEATURES

- Tapered edge for tape joint
- Lightweight
- No shrinking, cracking, sagging or rusting
- Concealed hinge
- Moisture resistant
- Easily textured
- Single trade installation
- Blends seamlessly into surrounding drywall
- Reduce labor costs
- Zero mold & fungus growth

- Custom sizes available
- Round pop-out panels available
- Neoprene gasket available upon request

Fuel Contribution (ASTM E84-80)	0
Flame Spread (ASTM E84-80)	0
Smoke Index (ASTM E84-80)	0
Combustion (ASTM E84-80)	Non-combustible
Class A Non-Rated	-

Designed for both wall and ceiling applications, the hinged Seamless™ Panel by MIFAB® can be used where a locked door is needed but style must still be maintained. The hinged panel is great for use in ceiling applications where there is no space to push a door up, and in wall applications when access to plumbing and electrical is needed.

- The **Seamless™** Hinged Access Panel and Pop-out Panel consists of a frame door with concealed hinges and a cam or key lock.
- Round Pop-out Panel available in five sizes.
- **Neoprene Gasket** available for all panels upon request.
- These panels require extra reinforcement and a crate or pallet to ship.
- Ships directly from the manufacturing plant in Concord, ON Canada.
