RE: MIFAB Specification Drains price advance.

To Our Valued Representatives and Customers;

Effective January 2, 2015, MIFAB will advance pricing for all specified drainage products. This price increase will affect all items in the MPB-2014 sales catalog for both the US and Canada.

This price advance is needed to cover increases in raw material, freight, and manufacturing costs. All orders received after January 1, 2014 will be priced at the new pricing level. In order to receive 2014 pricing, orders must be in house prior to Dec 31, 2014.

We thank you for your support and loyalty. If you have any questions or concerns please feel free to contact your regional sales manager or myself at any time.

Sincerely,

Tom Willis
