ZURN - MIFAB CROSS REFERENCE

CROSS REFERENCE

GREASE INTERCEPTOR  
OPTIONAL VARIATIONS

Table with 2 columns: ZURN and MIFAB. Lists various grease interceptor models and their optional variations like cover types, flanges, and receivers.

SOLID INTERCEPTORS

Table with 2 columns: ZURN and MIFAB. Lists solid interceptors with various models and optional variations like hair catchers and different housing materials.

SOLID INTERCEPTOR  
OPTIONAL VARIATIONS

Table with 2 columns: ZURN and MIFAB. Lists solid interceptors with optional variations like chrome plating, custom screens, and different bucket types.

OIL INTERCEPTORS

Table with 2 columns: ZURN and MIFAB. Lists oil interceptors with various models and optional variations like different housing materials and flow capacities.

Table with 2 columns: ZURN and MIFAB. Lists oil interceptors with optional variations like acid resistant finishes and different housing materials.

OIL INTERCEPTOR OPTIONAL  
VARIATIONS

Table with 2 columns: ZURN and MIFAB. Lists oil interceptors with optional variations like acid resistant finishes and different housing materials.

SAND INTERCEPTORS

Table with 2 columns: ZURN and MIFAB. Lists sand interceptors with various models and optional variations like different housing materials and flow capacities.

SAND INTERCEPTORS  
OPTIONAL VARIATIONS

Table with 2 columns: ZURN and MIFAB. Lists sand interceptors with optional variations like ductile iron grates and different housing materials.

FIXTURE CARRIERS

Table with 2 columns: ZURN and MIFAB. Lists fixture carriers with various models and optional variations like different housing materials and flow capacities.

Table with 2 columns: ZURN and MIFAB. Lists various models and optional variations for grease, solid, and sand interceptors, including different housing materials and flow capacities.

Design and dimensions are subject to modification. Prices do not include applicable taxes.

**WATER CLOSET CARRIER PREFIXES**

| ZURN    | MIFAB  |
|---------|--|
| Z.....  | Dura coated system with ZZ coupling                          |
| ZQ..... | Coupling system for cutting to required length after testing |

**WATER CLOSET CARRIER SUFFIXES**

| ZURN     | MIFAB  |
|----------|--|
| A.....   | Aux. support assembly                              |
| -AV..... | 2" no hub vent connection                          |
| -B.....  | Blowout type fixt. support                         |
| -CC..... | Corrosion resistant 6" long cast iron coupling     |
| -CL..... | Nipple len. great than 12"                         |
| -CV..... | 2" NH center vent conn.                            |
| -D.....  | Double (back to back)                              |
| -F.....  | Floor mtd. outlet cl. Conn.                        |
| -FO..... | Main fitting only                                  |
| -F2..... | Z-1208 fitting w/ 2" vent                          |
| -F4..... | Z-1208 fitting w/ 4" vent                          |
| -FX..... | 3" foot ext. assembly                              |
| -G.....  | Galvanized cast iron                               |
| -H.....  | Hub & spigot stack conn.                           |
| -J.....  | 45 degree aux. inlet                               |
| -JC..... | 2" Auxiliary inlet                                 |
| -JJ..... | Two 2" auxiliary inlets                            |
| -JL..... | 2" left hand aux. inlet                            |
| -JR..... | 2" right hand aux. inlet                           |
| -JS..... | 2" aux. inlet stack side                           |
| -JV..... | 2" aux. inlet, vent side                           |
| -M.....  | Aux. foot support for P dimension 10" - 18"        |
| -P.....  | 3" pl. fitting supporting system                   |
| -PA..... | Adjustable coupling conn. for penal fixture        |
| -PB..... | Coupling connection for penal fixture              |
| -PC..... | Coupling conn. with 4" cleanout for penal fixtures |
| -PN..... | NH coup. Conn. with 4" cleanout for penal fixtures |
| -T.....  | Threaded stack conn.                               |
| -VL..... | Left hand vent connection                          |
| -VP..... | Vandal proof trim                                  |
| -W.....  | Adap. ass. for women's ur.                         |
| -XH..... | Extra HD, 500lb carrier                            |
| -X3..... | 3" extension                                       |
| -X4..... | 4" extension                                       |
| -Y.....  | Foot support system                                |
| -W.....  | Adap. ass. for womans ur.                          |
| -XH..... | Extra HD, 500lb carrier                            |

**SUFFIX LISTING**

| Suffix | Description  |
|--------|--|
| 01     | Neoprene bowl gasket (MC-10-PBG)   |
| -1     | Nickel bronze (drains and cleanouts)   |
| -1     | Tiling frame (carriers) (MC-10-1-PTFK)                                       |
| -2     | Polished brass   |
| -3     | Stainless steel (Type 304) (drains)  |
| -3     | Rear anchor support (carriers) (MC-10-3-PRSFK)                               |
| -4     | Ductile iron   |
| -5     | Sediment bucket  |
| -5     | 3/4" female solder adapter (hydrants)  |
| -6     | Security screws (floor and area drains, cleanouts)                           |
| -6     | Vandal proof dome (roof drains)(H-1029)                                      |
| -6     | 3/4" IPS 90 degree elbow and union nut (hydrants)                            |
| -7     | Trap seal primer tapping   |
| -8     | Backwater valve (drains)(BV1250 Series)                                      |
| -8     | 3/4" adapter vacuum breaker (hydrants) (HY-9005-CP)                          |
| -9     | Hinged grate (drains)  |
| -9     | 1/4" drain port in box (hydrants)  |
| -10    | Decorative polished top  |
| -10    | (10 piece minimum) (drains)  |
| -10    | Auxiliary support (carriers) (MC-10-AFS)                                     |
| -10    | 3/8" drain port in box (hydrants)  |
| -11    | Acid resistant epoxy coating   |
| -11    | 1/2" drain port in box (hydrants)  |
| -12    | Galvanized metal dome (roof drains)  |
| -12    | Galvanized grate and frame (floor and area drains) (MC-10-PN12-31)           |
| -12    | 12" tapered thread ABS nipple (carriers)                                     |
| -12    | Wheel handle (hydrants) (HY-9003)  |
| -12A   | Galvanized body and membrane clamp (roof drains)                             |
| -13    | Galvanized body (floor and area drains)                                      |
| -13    | Galvanized body, membrane clamp and dome (roof drains)                       |
| -13    | Test plug for custom and cast iron nipples (carriers)                        |
| -14    | Flat strainer (drains)   |
| -14    | Vandal proof finish trim (carriers) (MC-10-PFH-14)                           |
| -15    | Extension  |
| -16    | Square top assembly with trap and cleanout (MI-05 Series)                    |
| -17    | All galvanized (carriers) with trap and oil cone and cleanout (MI-05 Series) |
| -18    | Nipple wrench (carriers) (MC-10-PCW)   |
| -20    | Secondary dome strainer (drains) (FD-9600 Series)                            |
| -20    | Flush valve support (carriers) (MC-10-FVS)                                   |
| -21    | Secondary flat stainless steel strainer (2", 3", 4") (FD-9600 Series)        |
| -22    | Less grate (drains)  |
| -22    | Less fitting (carriers)  |
| -23    | Chained grate (drains)   |
| -23    | 45 degree auxiliary inlet (MC-28)  |
| -24    | Solid secured cover  |
| -25    | 2" auxiliary inlet, right side   |
| -26    | 2" auxiliary inlet, left side  |
| -25-1  | Solid secured hinged nickel bronze cover                                     |
| -26    | Locking device (Same as -6)  |
| -27    | Rough bronze dome with stainless steel mesh screen                           |
| -28    | Stainless steel body (Type 304)  |
| -29    | Stainless steel body (Type 316)  |
| -30    | PVC socket connection body (2", 3", 4")                                      |
| -31    | ABS socket connection body (2", 3", 4")                                      |
| -31    | Two 2" auxiliary inlets (carriers)   |
| -32    | Integral deep seal trap (2", 3", 4") (MI-950 Series)                         |
| -32    | No hub nipple with 4" cleanout for penal fixtures (MC-28)                    |
| -32    | Foot pedal mounting plate (carriers)   |
| -33    | Less flange, deduct  |
| -34    | Closure plug (C1440 Series)  |
