### **Custom Grate - Order Guide**

**May 18, 2015**

Please advise us on the following information so that we can manufacture your custom grate and / or cover to the correct dimensions:

- 1) The overall diameter of the grate and / or cover.
- 2) The dimension between the bolt holes
- 3) The diameter of the bolt holes
- 4) The thickness of the edge of the grate and / or cover (so that when your replacement grate is installed, it sits flush with the collar of the existing grate and / or cover.

### **Notes:**

- The MIFAB replacement grates / covers are only available in Type 304 stainless steel material.
- The pricing of the replacement grates / covers is based on the size of the grate / cover and also the thickness (see pricing below).
- Once we receive your signed drawing (see attached) confirming all of the dimensions, and we receive your approved Purchase Order, manufacturing time in MIFAB's Chicago, IL factory is 5 business days.

### **Pricing:**

- Up to 8" diameter or 8" x 8" square, 1/4" thick (or less) stainless steel replacement grate and / or cover - \$100.00, Net, each piece.
- 8" diameter or 8" x 8" square, to 12" diameter or 12" x 12" square, 1/4" thick (or less) stainless steel replacement grate and / or cover - \$150.00, Net, each piece.
- 12" diameter or 12" x 12" square, to 16" diameter or 16" x 16" square, 1/4" thick (or less) stainless steel replacement grate and / or cover - \$300.00, Net, each piece.
  
- The above pricing is based on a 1/4" thick, stainless steel grate. A 1/2" thick grate would be double the above prices, a 3/4" thick grate would be triple the above prices and so on.
  
- Please contact MIFAB for volume pricing if you need 5 or more of the same dimension replacement grate and / or cover.
