

**FS1700-TA****12" x 12" FLOOR SINK NICKEL BRONZE /  
STAINLESS STEEL FRAME AND GRATE**

**Specification:** MIFAB® 12" x 12" stainless steel or nickel bronze (specify -3 for stainless steel and -1 for nickel bronze) floor sink frame and grate with vandal resistant allen key screws.

**Function:** Used with 12" x 12" cast iron and PVC floor sinks. Frame and grate assembly must be installed over the floor sinks before the concrete pour. Unique patented design has two removable quarter sections so that one part can be either a full, three-quarter or half grate configuration to save inventory and make jobsite installation easier.
