

Location: _____

F

ROUND FUNNEL ONLY

Specification: MIFAB Series F funnels available in either nickel bronze, cast iron or in Type 304 stainless steel. Available in either 4" or 6" funnel diameters.

Function: Used in restaurants, hospitals, industrial laboratories, and other areas where indirect waste lines above the floor drip condensate or waste water into the hub. The funnel prevents splashing and directs the waste into the drain. The funnel is bolted to a floor drain grate with a concealed screw and may be moved to any other grate location. The 4" round funnel is recommended for single pipe use only.
