MC-41-CO

LAVATORY CARRIER CLEANOUT ASSEMBLY

Specification: MIFAB ® Series MC- 41-CO lavatory carrier cleanout assembly includes: two pieces of the MI-QXHUB-3 Quick Hub couplings, one long bend cast iron fitting for the bottom, one top fitting with integral 3" brass threaded cleanout plug, one support bracket for assembly and one 4" round stainless steel wall plate with screw to assemble onto the finished wall.

Function: Save time and money by installing the MIFAB MC-41-CO lavatory carrier cleanout assembly. This eliminates the need to source and assemble several additional parts. The 3" threaded brass cleanout plug is built into the top fitting instead of having to order a separate part. The stainless steel wall plate is included with screw. The MC-41-CO ships complete in a box with the following components: two pieces of the MI-QXHUB-3 Quick Hub couplings, one long bend cast iron fitting for the bottom, one top fitting with integral 3" brass threaded cleanout plug, one support bracket for assembly and one 4" round stainless steel wall plate with screw to assemble onto the finished wall.
