New Berlin, WI 53146
262-827-1551 Phone

Principals: Steve Mellone - northlandsteve@gmail.com
Jeffrey Mellone - northlandjeff@gmail.com

Northland Sales, Inc. will be stocking most MIFAB products in their New Berlin warehouse (address noted above) in order to service you.

MIFAB is a commercial plumbing products manufacturer of the following products:

- 1) Specification floor, area, trench and roof drains, cleanouts, fixture carriers
- 2) Wall hydrants
- 3) Trap seal primers (pressure drop and electronic) and water hammer arrestors
- 4) Access doors (steel and plastic)
- 5) H.D.P.E. and steel grease, oil and solids and specialty interceptors
- 6) Fabricated stainless steel and steel trench and floor drains
- 7) Polypropylene and concrete trench drains
- 8) Acid neutralization tanks
- 9) Dialysis boxes
- 10) No hub and flexible couplings – incl. Quick Hub couplings – 40% faster install
- 11) BEECO backflow preventers, pressure reducing valves, gate valves, strainers, gauges and related products.

Please join me in welcoming the Northland Sales, Inc. team to the MIFAB family.

Sincerely,

Michael Whiteside

President
