**MIFAB®**

**T2000-PEC**

**END CAP FOR FEMALE END OF ALL  
T2000 GRP CHANNELS**

**Specification:** MIFAB® T2000-PEC is a polypropylene end cap for the MIFAB T2000 trench drain system, closing the female end of T2000 channels to provide proper termination. Lightweight, easy to install, and resistant to chemicals and corrosion.

**Function:** Serves as a starting or closed end cap for the female end of T2000 trench drain channels. Designed with clips on each side to securely connect to the female end of the T2000 channels.
