Re: MIFAB Trap Seal Primer products List Price Increase Effective December 8, 2021

Dear Valued Customer,

The new TSP-2021-12 Trap Seal Primer product booklet goes into effect December 8, 2021 and replaces the existing TSP-2021.

The List Price increase is approximately 5% and is reflective of our increased raw material and transport costs for these products. All net prices will also be increased by approximately 5%.

The discount structure for the TSP-2021-12 remains the same as the TSP-2021.

All current quotations for the products in the TSP-2021 booklet will be honored until December 7, 2021. Effective December 8, 2021 the new List Prices of the TSP-2021-12 are in effect.

Printed copies of the TSP-2021-21 will be distributed soon and will be available for download soon from the www.mifab.com website.

If you require any additional information please don't hesitate to contact your MIFAB representative.

Thank you in advance for your continued support and understanding in this matter.

Sincerely,

Michael Whiteside
President
