Re: 5% List Price increases - effective January 1, 2025

November 1, 2024

Dear Valued Customer,

MIFAB is announcing a 5% List Price increase for our Light Commercial Drainage products due to inflationary cost pressures. The 5% price increase also applies to all Net prices for these products.

We are doing our best to absorb as much of the cost increases as possible. All current quotations must be registered with your MIFAB representative; entered as orders and released for shipment on or before December 31, 2024 for current price protection. All new quotations and orders entered on and after January 1, 2025 will reflect the new price increases for all of these products. The CLPB-2025 – replaces the CLPB-2024 – List Price increase of 5%

Thank you in advance for your continued support and understanding in this matter.

Sincerely,

A handwritten signature in black ink that reads "Michael Whiteside".
