Re: MIFAB Trap Seal Primer products List Price Increase Effective May 20, 2025

Dear Valued Customer,

The new TSP-2025 Trap Seal Primer product booklet goes into effect May 20, 2025 and replaces the existing TSP-2024.

The List Price increase is between 8% and 9% and is reflective of our increased raw material, labor and transport costs for these products. All Net prices will also be increased by 8% and 9%.

The discount structure for the TSP-2025 remains the same as the TSP-2024.

All current quotations for the products in the TSP-2024 booklet will be honored until May 19, 2025. Effective May 20, 2025 the new List and Net Prices of the TSP-2025 are in effect.

Printed copies of the TSP-2025 will be distributed soon and will be available for download soon from the www.mifab.com website.

If you require any additional information please don't hesitate to contact your MIFAB representative.

Thank you in advance for your continued support and understanding in this matter.

Sincerely,

Michael Whiteside
President
