Re: FILCOTEN List Price Increase Effective April 15, 2017

Fibre Re-enforced concrete trench drain products

Dear Valued Customer,

MIFAB has experienced increases in our raw material and overhead costs for our various FILCOTEN Fibre Re-enforced concrete trench drain products.

On April 15, 2017, MIFAB's new FILCOTEN-2017 List Price Book goes into effect – replacing the existing FILCOTEN-2015 List Price Book. The FILCOTEN-2017 is being printed now and will be distributed to MIFAB representatives soon.

We will honor existing FILCOTEN prices until April 15, 2017.

Thank you in advance for your continued support and understanding.

Sincerely,

Michael Whiteside
